

The 3rd Annual Cheetah Cup
A Math Olympiad Competition for 4th, 5th and 6th Graders
Creek View Elementary School, 3995 Webb Bridge Road, Alpharetta, GA 30005

January 9, 2012

Date of Tournament: Saturday, April 21, 2012

Time: 9 AM until 2 PM

Place: Creek View Elementary School, Cafeteria

Tournament: Each team is composed of any five students from the same school who are in grades 4, 5 or 6. There are two events: individual and team. Ten (10) problems are solved in each event. The solution or solutions to each problem will be reviewed thoroughly. Students will compete for awards as a team and as individuals at their appropriate grade-level. If needed, up to five tiebreaker problems will be employed.

Although a team may have students from different grades, please note that teams will compete in the division for students of the highest grade level on the team. For example, a team of 5th and 6th graders will be scored as a 6th grade team. Individual students will be scored at their grade-level for the individual competition.

Cost: \$40.00 per team. The registration deadline is **March 21, 2012**. Space is limited to 30 teams.

Chaperones: One adult per team is required. *The adult will serve as a proctor for another team.*

Publicity: Please include publicity release forms with your registration form. Lack of consent will not disqualify students from participating. However, without forms from all team members, we will be unable to use team pictures in our press releases announcing participants and winners.

Awards: All students will receive a certificate of participation. High scorers, both individual and team, will receive awards.

Lunch: Students and chaperones should bring their lunches and sharpened pencils. Midmorning snacks and drinks will be provided.

Calculators: Calculators will not be permitted for this event.

Information: For further information, contact Helaine Becker via e-mail: beckerh@fultonschools.org.
